

Instruction: (1) Print this form. (2) Calculate your order total including shipping by working up your order online as if you were going to order online at www.effens.com up to the point where your shipping and order total is given. None of your financial data is needed to do this. (3) Copy the order pricing information from your computer to the printed form. (4) Cancel the online order using the back button or just exit the website. (5) Complete the printed order form; please print clearly. (5) Fax or mail in the form.
